

# TEKSKIL 19VHD-A (D35) Aux Display

## Boost production quality with this HD auxiliary display

A perfect companion for the new generation of Prompter Systems

This wide screen Aux Display will make life easier for your on-screen talent and production crew. Tekskil's 19VHD mounts perfectly with today's smaller, lighter cameras & pan/tilt heads – no problems with overloading or balancing your camera system. The display is mounted at the optimum position and angle underneath the prompter with micro-truss supports - Tekskil's benchmark design and engineering. Our custom hardware enables mounting to any Tekskil Pro or Premium Series Studio Prompters.

Many broadcast studios are realizing the benefits of prompter-mounted Auxiliary Displays - secondary screens are a great way to share remote feeds and on-air cueing with the talent. Server feeds, Chromakeys, and over-the-shoulder inserts are readily visible without losing eye contact with the camera. Your talent will appreciate the added production support provided by auxiliary displays. These High Definition 19" LCD units are comfortably viewed from 25+ feet away. The 19VHD-A is an extremely cost-effective addition to the camera platform. Compare features, construction and value with other manufacturers - Tekskil's quality, ease of use and affordability make our prompting systems the best choice for all your prompting needs.

Panel Type: Active Matrix TFT LCD

Active Screen Size 18 1/2 inches Diagonal

Pixel Format (RGB): 1366 x 768 (Native Resolution)

High Def Inputs: HDMI (480i/480p/720p/1080i)

Standard Def Inputs: Composite & Component Y/Pb/Pr

Brightness: 350+ cd/m<sup>2</sup> (nits)

Contrast Ratio: 1200:1

Color Temperature: 6500°K

Response Time: 5 msec

Viewing Angle (H/V): 170° / 160°

Panel Weight: 7.2 lbs

Lamp Life: 50,000-Hour

Power Consumption DC: 28 Watts

### Features of the 19VHD-A:

- Edge lit **LED** Backlight Technology
- Low reflectance imaging
- Slim light weight cabinet with robust truss mounts for correct, secure positioning
- 16 x 9 Aspect Ratio
- Low power consumption
- 12 Volt DC Operation

**Set up one of our systems in your studio and see the difference for yourself**
