

# Tekskil 22P-HD LCD Teleprompter

**Tekskil's 22P-HD prompter is the solution for large Production Studios or on-air performers with not-so-great eyesight.**

**This impressive 22 inch monitor is the largest camera mounted prompter available.**

The 22P-HD combines the latest in enhanced LCD displays with supercharged brightness and sophisticated optics (screen bonded glass micro-laminates) to deliver the best readability of any prompter. The energy-efficient LED backlights are bright, light and tough, the custom electronics ensure image quality with non-stop management of signal, power and temperature, and the all-metal housing is an engineered fusion of strength, rigidity, and light weight. The 22P-HD is the ultimate in rugged performance and is guaranteed to perform under the most challenging conditions.

This prompting system can be complemented with a 22 inch HD Aux /Talent Assist display; this configuration is an excellent match for the latest generation of mid-weight robotic pan & tilt pedestals. The innovative modular design enables the 22P-HD to quickly be reconfigured for field or Outdoor Broadcasting or even as a Presidential Speech Prompter. Re-staging is simplified with Tekskil's proprietary quick release mounting system and a comprehensive choice of conversion kits.

- Tekskil prompters are professional grade products – Premium systems feature ultralight micro-truss enclosures
- Tekskil premium displays are the latest in LCD technology with benchmark resolution, contrast and brightness
- Switchable Composite/SDI/HD-SDI is standard  
3G:SMPTE 424M@2.97 and 2.967Gb/s 1080p@60/59.94/50Hz  
HD:SMPTE 292M/274M/296M@1.485 and 1.435Gb/s  
1080i@60/59.94/50Hz  
1080p/psf@30/29.97/25/24/23.98Hz  
720p@60/59.94/50/30/29.97/25/24/23.98Hz  
SD:SMPTE 259M@270Mb/s 625i50 525i59.94
- 22P system will support a 22" HD auxiliary display dynamically suspended underneath the prompter and dampened to be free of vibration
- Can be configured with a front mounted LED Tally light, our TallyCAM Tally Display or our new Electronic Floor Manager (Clock, Tally, Messaging, SMPTE Time Code, Audible Cueing)
- Affordably priced

22P with Wide Angle Studio Hood, 22 inch Aux Panel and TallyCAM
