

# Tekskil Network Integrated PTZ Camera Prompter Systems

**Tekskil's Network Integrated Power Pedestal / Prompter Capsule transforms your PTZ camera into a robust Studio Camera Platform**

### PTZ26 Prompter Capsule (Q30)

- Houses the PTZ camera
- 70:30 panoramic beamsplitter
- 24-foot field of view at 10-foot distance

### 19SE-T Prompter Monitor (D17)

- 19" SelectVIEW display (19-17-15 inch switchable)
- Custom heat and power control
- Composite video input
- Optional HD/SDI video input
- Optional Network Interface for IP feeds

### Floor Manager (TA40)

- Dual stage tally (Preview / Program)
- Selectable Camera ID
- Clock, Count-down & Count-up timer
- Ad hoc messaging
- Tekskil Network Control application

### Talent Display (TA35)

- 19" LED display
- Composite / HDMI video input
- Optional HD/SDI video input

### Network Control

- Wireless Control from local Tablet, Smartphone or Laptop Computer
- Optional Network Hub for Panasonic PTZ Controller Interface
- Optional Network Hub for Sony PTZ Controller Interface

### Power Pan (Pan370)

- 75-pound payload
- 370-degree rotation range
- Absolute Positioning
- Local control with 3 position memory
- Optional Tethered Control
- Optional Network Control with expanded functions and 12 additional memory presets

### Power Pedestal (Ped319)

- 75-pound payload
- 19-inch elevation range
- Absolute Positioning
- Local control with 3 position memory
- Built-in Power Distribution (AC & DC)
- Optional Pan Bar Kit
- Optional Tethered Control
- Optional Network Control with expanded functions and 12 additional memory presets

| SelectVIEW Specifications            | 19SE-T Performance Series (D17)    |
|--------------------------------------|------------------------------------|
| <b>Diagonal Screen Size (H x V):</b> | 19 inches (14.8" x 11.9")          |
| <b>Pixel Format (RGB):</b>           | 1280 x 1024 (Native)               |
| <b>LED Backlight Brightness:</b>     | 700 cd/m <sup>2</sup> (≈ 700 Nits) |
| <b>Contrast Ratio:</b>               | 2000:1                             |
| <b>Viewing Angle (H/V):</b>          | 150° / 150° minimum                |
| <b>Video (CVBS) Input:</b>           | BNC (x1)                           |
| <b>Display Weight:</b>               | 14 lbs.                            |
| <b>LED Lamp Life:</b>                | 80,000+ hours                      |
| <b>12 VDC Input:</b>                 | XLR 4-Pin Male                     |
| <b>Power Consumption:</b>            | 40 Watts at full brightness        |
| <b>Warranty:</b>                     | 3 Years                            |

More and more stations are adopting automation for improved production and reduced costs. A new breed of integrated pan/tilt/zoom cameras has emerged - PTZs. Utilizing miniature pan tilt assemblies with compact high performance cameras, PTZ systems provide broadcast quality video at a very reasonable cost. However, they come with a headache – how do you integrate a teleprompter for the talent? Tekskil fills this need with the development of the Integrated Network Teleprompter System.

**Set up one of our systems in your studio and see the difference for yourself**
